

Pop of Summer Table Runner

What's the one thing that can make a hot summer day perfect? Definitely a popsicle on a stick! Juicy colors and appliquéd popsicles make this bright table runner just as exciting as the icy treat itself. This multi-hoop project has a pieced center section quilters will love too.

We would love to see what you create! Share photos of your project on the Kimberbell Designs Facebook page or Instagram #kimberbelldesigns #kimberbelldealerexclusives
