First Day of School Quilt Layout Ideas

IDEAS!

We give you the “First Day of School” signs, but hang onto them. They could easily be turned into a quilt that would make a great graduation gift.

We have some layout ideas for you. However, you are the designer. This is your custom treasure to give to your loved one.

For this layout you could use T-shirt blocks, a photo transfer or get to know your digitizing software and sew out a photo stitched picture. You could also use another 7” HoopSisters block for the alternating blocks. Mix and match them anyway you want.

We include the pencil border block to make your quilt larger.

We hope you have a great time designing your own HoopSister Retreats inspired creation.
