Beans to Brew Quilt Assembly

Layout your trimmed quilt blocks as shown. Sew them together into three vertical sections. We have color coded the vertical sections in the drawing shown on the right. Press seams open. Sew the vertical sections together and press seams open.

Press your backing fabric and layout on table with right side down. If desired, carefully spray with temporary spray adhesive such as Sulky KK2000. Center your quilt top over backing fabric and safety pin to backing fabric starting at center of quilt and working your way out.

Place your walking foot on your sewing machine. Place Superior Mono.poly Thread in the needle and thread in the bobbin that matches your backing fabric. Stitch in the ditch between each block. Trim backing fabric even with your quilt top. Place a hanging sleeve on your quilt if desired, bind and enjoy.

Follow these instructions for stitching just the embroidery design. For each step use the polyester embroidery thread of your choice in the needle until otherwise indicated.

Artsy

3.35" w x 4.17" h

Step 1,
Stitch coffee cup with your choice of thread color.

B2B

6.03" w x 9.65" h

Step 1,
Stitch coffee bean placement using water soluble thread.
