MASTER YOUR SERGER WORKSHOP

Master your serger during this 1-Day Serger event while creating a 3-Pocket Serger Travel Bag. Learn how to use basic overlock stitches in a fresh, new way while constructing a great project! Six serger techniques will be used to include rolled hem seaming, mini piping, serging on sticky fabrics, overlock zippers, and serger mitered binding. The finished project is a handy, multi-pocketed travel or accessories bag, perfect for whatever your needs are. All fabric and supplies are included! All you need to bring is your own personal serger, a little thread, and a few basic sewing supplies shown on the online supply list. Limited to 25 students per day. Sign up early to guarantee your seat.

BONUS PROJECT INCLUDED IN THE PATTERN!

The Bonus Mini Project is a Serger Zipper Vinyl Bag, using just 2 techniques for handy little bags, great for gifting or storage.

Nancy Bednar is a sewing educator, freelance instructor, and author. A passionate sewer since elementary school, she has enjoyed creative garment and home dec projects, as well as bridal, special occasion sewing, but mostly a love affair with the serger. She has trained both sewing machine dealers and consumers alike with a special emphasis on garment stitching and creative machine techniques using the sewing machine and serger.

Nancy was a regular contributor to both Sewing and Serger Update Newsletters, published in Sew News and the Bernina publication Through The Needle.

Her published books include *Creative Serging: Innovative Applications to Get the Most from Your Serger*, as well as *The Encyclopedia of Sewing Machine Techniques* and *Silk Ribbon Machine Embroidery*. In 2020 Nancy developed a line of creative serger project patterns teaching creative techniques using basic overlock stitches. Visit nancybednar.com for more information on her exclusive pattern line.

A native Midwesterner, Nancy creates in her studio outside metro Chicago with her faithful canine advisor. Always looking for a creative challenge, the best part of her job is helping others discover their own creativity.

MASTER YOUR SEWING MACHINE PRESSER FEET WORKSHOPS

Susan has been crafting with fabric, needle, and thread since she was a young child and holds a bachelor's degree in textiles and clothing along with a master's degree in design. She likes all types of sewing but her favorite is mixed media – mixing fabric, paper, fibers, ephemeral mementos, photographs, trinkets, charms, etc. Having worked in the industry for over 20 years as an educator, writer, and editor for BERNINA of America, Susan is now a freelance teacher, blogger, and designer. She is the owner of SewFeet.com, where she blogs and teaches about all types of sewing, focusing on using your sewing machine and presser feet to improve your sewing and expand your creativity. Don't forget to bring your "BIG Book of Feet" book or any of the BERNINA "BIG Book of..." for Susan to sign. See website for a complete supply list.

All Brands of Sewing Machine Owners Welcome!

ONLINE COURSES ARE BIG!

These last 18 months have proven that online courses are so important! With many sewing machine stores still limiting their class size, students have been turning to online courses to continue their education.

We have welcomed students from every corner of the world to the Stitching Cosmos and Embroidery Essentials curriculums!

The Stitching Cosmos online courses have been filmed on three different brands of sewing machines - Bernina, Husqvarna Viking and Pfaff. Take a journey of a lifetime learning over 25 brand specific sewing techniques while mastering over 18 presser feet. Did you know you can watch 10 videos for free as you audition the course to see if it is the right one for you?

Visit SewingMastery.com/Courses to learn more!

Embroidery Essentials Online Course

Master your Embroidery Machine Today

This newly REDESIGNED course is 3.5 hours long and was designed to help beginner embroiderers master their embroidery machine through a series of 15 different embroidery techniques. Includes over 2 hours of BONUS content, too! The Embroidery Essentials online course videos can be use with ANY brands of embroidery machine.

COMING THIS FALL!

KIMBERBELL CLEAR BLUE TILES

Quilt your projects in-the-hoop with professional results! With Kimberbell Clear Blue Tiles™, it's easy to stitch through a quilt sandwich of top fabric, batting, and back fabric. Choose allover quilting for a continuous flow, or customize each block with a different design! Because they have the same scale, you can use a variety of tiles on the same project. If you love traditional quilting and would love to do it on your embroidery machine, Kimberbell Clear Blue Tiles are the solution you've been waiting for.

The Clear Blue Tiles Essentials set includes 6 Background quilting designs x 22 sizes, 2 border designs x 24 sizes, and 6 bonus Bitty Blocks x 1 size. That's a total of 372 design files that you can use to quilt all of your favorite projects whether it is a small zipper pouch or a lap size quilt. The possibilities are endless! So, are you excited to quilt on your embroidery machine? Clear Blue Tiles will be shipping around September 2021.

SEWING MACHINE MASTERY

SEWING MACHINE MASTERY #1

Just bought a new sewing machine? This hands-on class is open to owners of all brands of sewing machines and is designed to build the foundation of basic use and sewing machine etiquette. Learn care and maintenance to keep your sewing machine running smoothly and have a long productive life. We will explore needles, the many different uses and quality sewing thread. Familiarize yourself with stitch settings to improve performance when trying new techniques.

SEWING MACHINE MASTERY #2

After attending Sewing Machine Mastery #1, take your new sewing machine to the next level while using a variety of different weights of fabric. Practice using many built-in practical stitches for hemming, mending, overcasting, edge stitching, and blind hemming. Understand what tension really means and how it works. Try out new uses for buttonholes and sewing on buttons. Those with a Bernina Stitch Regulator (BSR) will stay an extra ½ hour to learn how to use this special accessory.

SEWING MACHINE MASTERY #3

This creative class will cover decorative threads, decorative stitches, couching, varieties of applique, and double needles. Those who have a built-in sewing machine memory with alphabets will also learn how to program letters and decorative stitches into the memory. Additional supplies needed are listed on the website.

EMBROIDERY MACHINE MASTERY

EMBROIDERY BASICS

This hands-on embroidery class is open to owners of all brands of embroidery machines. Explore hooping techniques, tension, design layout, lettering, on-screen editing and realignment for larger designs. Become familiar with all parts and use of your new embroidery machine.

SERGER MASTERY

SERGER BASICS

This hands-on class is open to owners of all brands of sergers. Learn the fundamentals and theory behind how a serger is designed to work. Experience threading, three and four thread overlock stitches, rolled hem, how to use decorative threads and basic care and maintenance.

CLASS FEES

All sewing machine mastery classes are FREE with qualifying purchase of a Bernina, Husqvarna Viking or Pfaff sewing machine. If you purchased your sewing machine from Heirloom Creations and the class was not included with your purchase we do offer the class for a discounted rate of \$49. Registration is required to attend.
